21.-22. September 2017

mHealth Recommendations by eHealth Suisse

Next steps?

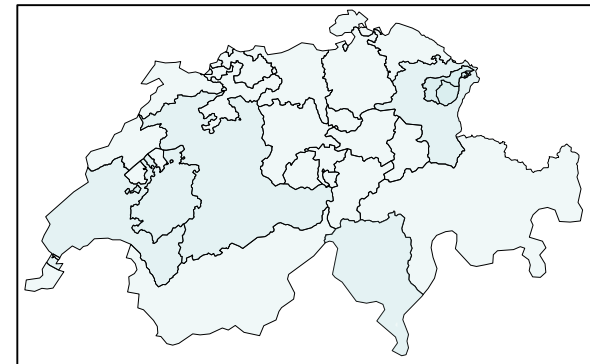

EPD
elektronisches
Patientendossier

In cooperation with

Swiss Competence and Coordination Centre “eHealth Suisse”

- eHealth Suisse was established by the Confederation and the 26 cantons
- The aim of eHealth Suisse is to coordinate work on eHealth and the Electronic Patient Record

Swiss Competence and Coordination Centre
of the Confederation and the Cantons

The Electronic Patient Record

Swiss Federal Electronic Patient Record Act

Art. 8 Access options for patients

- 1 Patients are permitted to access their data.
- 2 They may enter their own data themselves

Key decision:

No additional regulation!

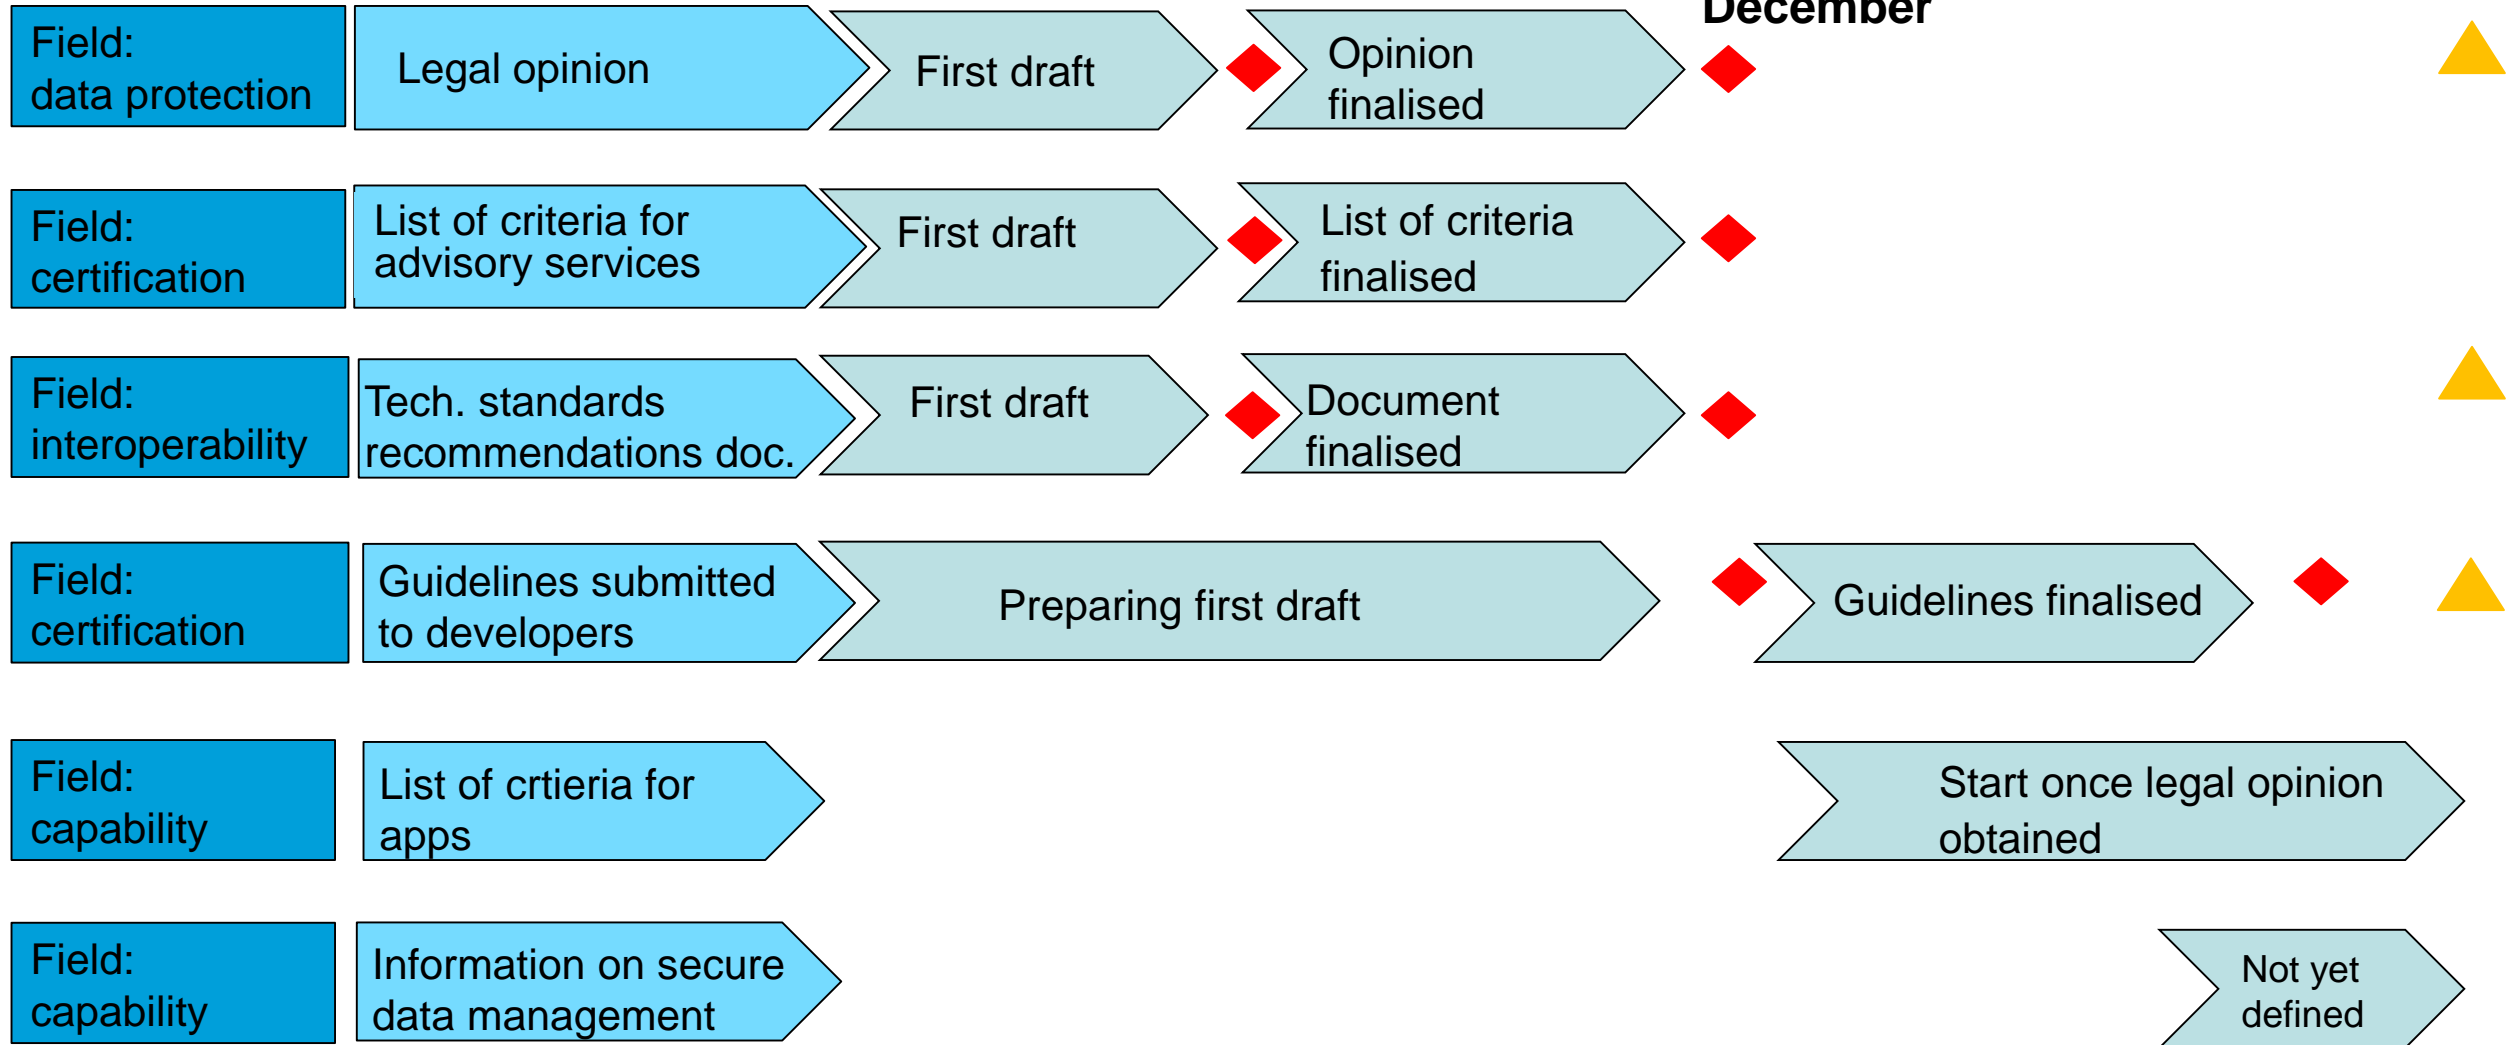

But greater transparency!

End of October

Beginning of December

February 2018
